CERTIFIED DATA SUPPLIER

Oltre che sui cataloghi cartacei dei prodotti aftermarket di Ashika, è possibile trovare i prodotti Ashika anche in TecDoc, leader europeo nella produzione di catalogazione elettronica.

Ashika è "Fornitore di dati certificato" per TecDoc. Vale a dire che tutti i dati di Ashika presenti in TecDoc godono di ottima qualità, sono stati controllati e verificati da TecDoc, e supportati dagli specialisti di Ashika. I pezzi possono essere facilmente reperiti cliccando sul relativo veicolo e sul gruppo di prodotti. Quando vengono visualizzate le parti Ashika corrette, l'utente può visionare anche informazioni aggiuntive (ad es. dimensioni, caratteristiche o immagini).

Beside the paper catalogues of the Ashika Aftermarket products, Ashika products can also be found in TecDoc, European leader of electronic cataloguing.

Ashika is a "certified Data Supplier" to TecDoc. This means that all Ashika data in TecDoc is of the highest quality, controlled and checked by TecDoc, and maintained by Japanparts' own specialists. Parts can easily be found just by clicking on the proper vehicle and product-group. When the correct Ashika part(s) is/are displayed, also additional information can be viewed (i.e. dimensions, remarks or pictures).
